

# What to Expect at the CHILDREN'S ADVOCACY CENTER of Hampshire County

You will be greeted by kind CAC staff. They will sit with you and tell you what to expect during your time there. They will give you lots of time to ask questions.

Another person will come out and introduce themselves. You will go with them to talk about yourself. They want to get to know you and will ask you questions about your experiences. You are in charge of how much you talk about. Just be sure to always tell the truth.

## Tips to remember at the CAC:

- You are safe there
- You are not in trouble
- You can ask as many questions as you want
- Always tell the truth
