

Clinician

Children's Advocacy Center of Hampshire County

About the Role

The Children's Advocacy Center of Hampshire County is seeking a compassionate and skilled Social Worker to join our trauma-informed team. The clinician will provide individual, family, and group therapy to children and teens who have experienced abuse, as well as to their caregivers. This role also contributes to community prevention and education efforts that build resilience and promote safety for all children.

What You'll Do

- Provide short-term, evidence-based therapy to children, teens, and non-offending caregivers.
- Develop and implement trauma-informed treatment plans.
- Collaborate with multidisciplinary partners, including DCF, law enforcement, and medical providers.
- Offer school and community consultation for children impacted by trauma.
- Participate in prevention workshops for youth, parents, and educators.
- Document services, maintain case records, and ensure compliance with agency standards.

What We're Looking For

- Master's Degree in Social Work or equivalent (required); LICSW or equivalent strongly preferred.
- Minimum three years of clinical experience with children and families.
- Knowledge of trauma-informed and evidence-based treatment models (e.g., TF-CBT, EMDR).
- Commitment to equity, inclusion, and anti-oppressive practice.
- Strong communication, collaboration, and organizational skills.
- Reliable transportation and ability to pass all background checks.

Why Join Us

At the Children's Advocacy Center, you'll be part of a mission-driven team working to ensure safety, healing, and justice for children across Hampshire County. We offer ongoing professional development, clinical supervision, and opportunities to contribute to innovative prevention programming.

Compensation & Benefits

Competitive salary commensurate with experience, plus comprehensive benefits including health insurance, paid time off, and professional development support.

To Apply

Please submit a resume and cover letter to kmcelhone@cachampshire.org with the subject line 'Clinician Application.' Applications will be reviewed on a rolling basis until the position is filled.
